

A FULL LIST OF ROSANNE BITTNER BOOKS (updated 30 August 2016)

So many books - so many years. 60 titles - 35 years of writing - roughly 30,000 pages and 9 MILLION words - and that's just first drafts. Add re-writes, books that never got published and all the articles I've written and you could probably almost double all of that. #61 **LOVE'S SWEET REVENGE** coming next September!
