

## A FULL LIST OF ROSANNE BITTNER BOOKS (updated 27 August 2018)

So many books - so many years. 66 titles - 35+ years of writing - roughly 35,000 pages and 10 MILLION words - and that's just first drafts. Add re-writes, books that never got published and all the articles I've written and you could probably almost double all of that. New books coming in 2018 - 2019!
